

REMARKS/ARGUMENTS

Claims 1-9 are pending. By this Amendment, the specification and claims 1-6 have been amended, and new claims 7-9 have been added. Reconsideration in view of the above amendments and the following remarks is respectfully requested.

In accordance with paragraph 1 of the Office Action, the disclosure is amended herewith to make reference to the national stage application, as well as the original priority document, each of which is incorporated by reference into the present specification. In addition, the reference to Figure 1 on page 10 has been corrected to refer to Figure 4. In addition, footnote (4) has been eliminated.

Reconsideration and withdrawal to the specification objections are respectfully requested.

Claims 4-6 were objected to as being in improper multiple dependent form. By this Amendment, claims 4-6 have been amended to refer to only claims 1 or 2. In addition, new claims 7-9 correspond, respectively, to claims 4-6, but are only dependent on claim 3.

Reconsideration and withdrawal of the objection are respectfully requested.

Claims 1-3 were rejected under 35 U.S.C. §112, second paragraph. This rejection is respectfully traversed. By this Amendment, claims 1-6 have been amended for clarity only to avoid the rejection. In particular, claim 1 now more positively recites the structural elements which are provided to the viewer, and that the locking fins are suitable for coupling with the structural elements of the viewer. In addition, claim 2 is

amended in a way to obviate the rejection. The amendments to claim 1-6 are for clarity only and are not for the purposes of patentably distinguishing the claims from prior art.

Reconsideration and withdrawal of the rejection are respectfully requested.

In view of the above amendments and remarks, Applicant respectfully submits that all the claims are patentable and that the entire application is in condition for allowance.

Should the Examiner believe that anything further is desirable to place the application in better condition for allowance, she is invited to contact the undersigned at the telephone number listed below.

Respectfully submitted,

NIXON & VANDERHYE P.C.
